The screenshot shows the 'REPORT COMMENTS BANK' website. The header includes the title and tagline 'Making reports the easy way'. Navigation tabs for 'LOG IN', 'REGISTER', and 'TELL A FRIEND' are visible. A login form on the left contains fields for 'E-mail address:' and 'Password:', with a 'LOG IN' button and a 'Login with Facebook' button. Below the form are links for 'I forgot my password >' and 'Resend activation code >'. On the right, an 'About us >>' section is highlighted with a large blue '100% Free' watermark. The 'About us' text describes the service as a 'mass online school report comment bank' designed to speed up report production. It notes that users often repeat themselves when writing reports, making a comment bank a logical solution. A welcome message follows, stating 'Welcome to the easy way to create your pupil reports for your school.' At the bottom of the page, there are 'HELP AND DEMO' and 'CONTACT US' buttons, a 'Terms of Service' link, copyright information for 2010 TeachICT.co.uk, and social media icons for Google+, Twitter, and Facebook.
